As described in the formal Declaration of Covenants, Conditions and Restrictions, which will be signed at the closing of the property:

## Subordination Disclosure

**If you wish to refinance your home or take out a home equity loan in the future, please review carefully!**

FYI: Anoka County's rehab lien is, by state law, considered a "special mortgage" and, as such, the homeowner may be required to attend debt counseling as part of the refinance process.

The County records liens on property according to the date they were filed. The older the date the higher the payoff position. Usually, the primary mortgage is in 1st position, the next lien in order of date is in 2nd position, and so on. If you chose to sell or refinance your property, whatever is left over after payment of all liens on the property is considered "equity" for the homeowner.

All lenders want to be in the highest payoff position possible because they have a better chance of being fully repaid. As a result, the lender you use to refinance your current mortgage or to obtain a home equity loan may approach the holder of your existing lien (in this case, Anoka County) to request that they subordinate, or allow the new loan to take a higher payoff position than the county's existing lien. For Anoka County to agree to subordinate, certain requirements as noted below must be met.

- 1. Subordination Requests** - Requests for subordination of an Anoka County lien will be considered after the lender has completed and submitted a Subordination Request form (Anoka County will provide upon request) which includes the following:
    - a. The reason for the subordination.
    - b. Info on all active loan(s) including: current balance, term, interest rate and whether the rate is fixed or adjustable.
    - c. The amount of the new loan, the term, interest rate and whether the rate is fixed or adjustable.
    - d. The full name of the lending institution as it would appear on the subordination, if granted.
    - e. A copy of the prepared title work which shows any other lien/s secured by the property.
    - f. A copy of the current property appraisal.
    - g. A copy of the Good Faith Estimate signed and dated by the applicant/s.
    - h. Income verification.
    - i. Upon closing, submit a completed HUD-1 (Closing Statement) form signed by applicant/s.
  
  - 2. Approved Costs and Liens**
    - a. Borrowers shall be allowed to include reasonable closing costs and settlement costs to the extent typical in the industry for a new mortgage.
    - b. Only existing mortgages that were originated prior to the Anoka County Lien may be included in the new mortgage.
  
  - 3. Denial of Subordination Requests** - Anoka County will not subordinate its lien in situations including, but not limited to:
    - a. The proposed mortgage does not conform to current State of Minnesota lending practices as regulated by Minnesota Statutes 58 et seq.
    - b. Mortgages using more than 40% of the gross monthly household income towards P.I.T.I (principal, interest, taxes & insurance). If taxes and insurance are not included in the monthly mortgage payment, Anoka County will divide annual costs by 12 months and add to the proposed monthly payment to determine payment to income ratio.
    - c. Consolidation of mortgages originated after the Anoka County lien.
    - d. If the annual household income exceeds 80% of the area median income.
    - e. The borrower is receiving cash back from the mortgage company or other source as a result of the refinance.
    - f. The funds secured by the proposed new mortgage are being provided for consolidation and payoff of personal debts of the borrower or another.
    - g. The borrower is delinquent, or in arrears, on payment of their real estate taxes, federal or state income tax, or bankruptcy payments.
-

- 
- h. The county's payoff position moves to 3rd or lower than it currently is.
  - i. Reverse Mortgages will not be subordinated.
  - j. Down Payment Assistance and NSP Incentive Fund Assistance received from Anoka County will not be subordinated.

**4. Subsequent Subordination Requests** - Subordination requests are handled on a case-by-case basis. If a subordination is granted, only one per property will be allowed.

**5. Processing Subordinations**

- a. Please allow a minimum of ten (10) working days for the county to process requests for subordinations. The 10-day minimum starts once the county has received the required documentation from the party requesting the subordination.
- b. Subordination requests will be processed by the Community Development department staff, who will then submit the request, with a recommendation for action, to the Division Manager. The Division Manager will approve or deny all requests for subordination.

**6. Satisfaction of Mortgage/Agreement**

If the property is being sold or if the subordination is denied and the client wants to continue the refinance, the county's lien must be paid in full. Upon request, the county will provide a payoff statement to the lender or title company. At closing, a payoff check should be cut and delivered to Anoka County. A Satisfaction of Agreement will be drafted and recorded on the property. The recorded Satisfaction of Agreement removes the existing Anoka County lien from the property.

I have read the Anoka County Subordination Policy and understand the requirements that apply should I choose to refinance or obtain a new mortgage on my property.

I understand what a Satisfaction of Mortgage/Agreement is and how it applies to me if I do not qualify for a subordination or choose to sell my home.
